HASHTAG #1

Jamie lives exponentially in torture because his grandma flew for seven quadriceps. Timothy thought about his stagnation and laminated green carboard with thought power. Jamie crimped thoroughly, lost his helmet, and he listened to his pet all the same time. Translucent marmots dilapidated the stagnant Timothy all with the help of tarantulas. Silicon tarantulas migrated to North Jamie's Hair. Timothy lamented his life and was thinking dixie is strobing right or wrong. Livin' on alien farms, Gloobulis learned English which attacked him electrically because Zimbabwe's Swiss Panamanians were forcing Spanish to be extremely popular. Jamie simulated with his brother who was hoarding bombs because nobody liked apples and extremely petrified translucent marmots. Translucent marmots attacked west Jinverjia because yes. Timothy again thought dilapidated he thought dilapidated he ran seventy quadriceps. Christopher Columbus columned with mailbox man until they drooled on happiness which screamed "Haxification wants Zixipulous to gludge!". The worst ending, is this not?

HASHTAG #2

Hybrid toenails mixed tardigrades in sapphire cake, although they screamed since 1732. Egg Nog was starving because he interfered jugulars with nothing. Under Standably was extremely notified about hybrid toenails that defused tardigrades. Ramifications for Mickey Rat increased by thousands of limp ornaments. Although Egg stock marketed, starting huge cinnamons, he drove away without cinnamon, Dimpledough yodeled until he attacked an under cinnamon. Somewhere in *Denver, Florida*, Tuvalonians did NOT do something. Wolvish mozzarella strategized strategically against strategic strategizers with strategies. Cat's new undertaking of discrimination was mammoth. Egg Nog lives doritoless in *Agony, Colorado*. Alibi alligators attacked astounding Alistair amethyst. Beckoning burritos bulldozed burrowing birds. Devouring Reese's peanut. Crimping crocodiles crunched camouflaged custard bites. Eliminated *Elves, Russia* competed thoroughly for?

Germinated licorice with hot potato went hybrid because Egg ate Mickey Rat stopping Under Standably from being a notification. The saxophone ending!

Fixation plummeted awfully down, except for peanuts that disobeyed Uncle Sintop. Fixation was slowly arising from the mounds, his makeup only stimulated with glowing peanuts. Below velociraptor’s flaming pies, Antidisestablishmentarianism annoyed butter cups. Demented peanuts crimped with Antidisestablishmentarianism who sang as long backup strainers. Fixation’s unhappy peanuts antidisestablishmentized for Antidisestablishmentarianism because I longituted a latitude. Pig. Antidisestablishmentarianism stooped on granular glowing peanuts that never sealed sentences because floss was useless despite being popular and scarcely overrated in stock. Fixation distantly juggled peanuts. Pottery “no octagonal lovebirds fly,” said sumo version of peanuts. Antidisestablishmentarianism antidisestablishmentarianismized Olaf. Tubular tubs tubbed turbine’s Victor. Fixation antidisestablishmentarianismificationilaterstastificizmized howling concrete. Antidisestablishmentarianismificationilaterstastificizmizedantidisestablishmentarianism. The under laminated end.

Arsonists went ham for Chick-fil-a. Stevens Foliage was swatting sandflies indefinitely because the Chick-fil-a disintegrated and disintegrated. Harold Harolds didn't want pizza because the Chick-fil-a served Arsonists. Flanging Frito-Lays simulated similes uncanny. Super filament was strobing rakes because Chickitiry anthills rampaged seven. Steven impersonated Steve although Stevens impersonated Stev thinking Ste hardly. Barbed bunnies crimped thoroughly however much of spam was filling files constantly but butt bunnines blathered batters throughout New Hampshire. Old arsonists got yo mama to enfattened because the treatment had burning memes famously. Binbag. Harold SSTTOOPP! Harold JJOOEEYY! Harold WWHHAATT! Harold farted on CISNE because KOLBERG PRIDED proven plumber. End.

HASHTAG #8 (NO G'S ALLOWED)

Icicles fell from rooftops that were crazed 47,000 times in jellybean land. Cold Canadiens went buoyant after too many Bud Zeros. Rickroll is frowned pickles. This pajama party marks the 99th time Kevin ejected ears. Osteosarcomas are forbidden by JHONNY because JHONNY doesn't like JHONNY. JHONNY was walkin' down Kentucky when protesters poured banishment on JHONNY because JHONNY doesn't follow crusty crustations. Crimpin' crabs spanned Universal Studios when JHONNY had friends that

wrote banishment in cribs because JHONNY was not JHONNY. ('-'). Stony hunkered horoscopes without reading JHONNY's instructions about bees. Retailers retailed the yuca unknowin' of the yuca yucinator however/wherever they went. End.

Oreo similes were like thorbells on the intervening bovine orcas. Pessimistic was velocirapting because MrBoast didn't not not not not not not not fly.

Hunnie is underrated because the sponsorship was extremely bad with other dating videos. Hunnie is an online dating tool for

getting coupon codes while doing dates. Green and green except green grone green red green flabbergasted green saplings green supported

green I green hate green. ***Stiffening greenly crunches: the worst worst***

product on Poland and lithuania. Crimping gruthers gutted gouged jiraffes gyrated underlining Barbara. MrBoast hardly enjoyed existing because many morsters mammothed magic mushroom's igloos. 16,912 hurtlers bombazined Spain. Torebells introduced interviews to arteries because the cattle bloodstream is clogged so he traumatized stiffening beetly stungers. Sponsor is Poloniated badly. Not yuca affiliated magikarps' solotchiauns because fatherly ending.

HASHTAG #11

Tyles and Tyler tiled in peace by 3:00am, because why would they be called while tiling? Israeli chanted for the pears, unsuccessfully, probably when he flavingied Gerald, everyone was untrustful of porridge? Nobody. Wanted. Grapes. Except Gerald. Because she. Rated. Flavingies. Poorly. Even through tunnels. Gerald or Geraldo or Gerldod or Geraldode fumigated internships mercilessly! Untrained pustules hydrated Geraldo because 14 super men reaped the quadratics equations. Pebbles undoubtedly rounded Doubtably. Tyles finished off porridge that nobody arsonated maximally. Simple sassiness was simple and I eat rulers that solved rhymes. Roadbulls bullied carbulls that were crimping. Thoroughly exasperated marshmalle.O.s pirated pirates that

forwarded baloney incognito! Israeli offered pears, firecrackers, and toffee friendship, aluitious? Tyler farted inappropriately because it thought loud and big. BEEN BARGS CARBOHYDRATE. the postulated friendly end because yes. End.

HASHTAG #12

Molten rotisserie Eric softened barrel peckers because fatchicks were the GOATs. Extraordinary mooers fostered the M&M corporation by readying intercontinental frogs missiles. The snatchbox is only a portion size of a manikin. Green salt is rolling down paradise lane, crimping. A point of contact redirects marital yucas or potatoes. Ford F-150, X-1220, and BM-2973-WMWRM all sucked, so beans. lñterpretted if maximalists held hands. Forbidden gales pumped out supercalifragilistye xpidalidous is if you say it loud enough you are really quite afroicio us because groovy beans. Beans. Beets? Beets! You beet! Turmoil between bark and epiphyte raged on German ugly cost in boxes. Beans. Thouroughly amplified children mourned Highknee excersizes. Foliage ending beans.

HASHTAG #14

Retaliating on unfair land is illegal, but Pidge, the pigeon, decided fluffy bunnies run into Turkey. Bengamin Frocklin was dead. Living the dream became the norm after Pidge found golden icebergs. Flaaappy, the president of Winglind, went crazy after troughs saw orthographic ghosts. Reindeer were rampaging over Timmy, Little dord. Pidge toweled over Tiffany, the dude. Fast

not folk conspired over Lil' Goliath, except that strange enterprises over strange extraprizers filtered. Boolean crimpers fried Flaaapy. Podge, Pidge's long lost floor, was oiling rice burgers because fronted friends frolicked. Osteosarcomas continue invading continue the continue truck of love for SDs and the real, amazing, friendly, rolling, creepy, disgusting, purple, shiny, airy, sternum. Yemenis remenis pemenis exterminate cream burgers that. Trojan treason, not toyan monkees, blew up. Southern North kites dwindled along with Applejacks, justifying mourned mrmrs and uu. Mastified, Pidge, Flaaapy, Bengamin Fronklin, monkees, and strange Podge all ended the world.

Frank parties nonstop because he wanted to recover his meercat. Stinky strips begrudgingly went insane. Frank fronk to undulate because Brainfart needed surgery. Canadiens moonshined on the yuca. USA is chunky. Crimping Austrian axles allocated Christmas thickly. Migration to USAR failed briskly, mainly because USAR didn't exist. Frank showed Franky electric lemonade, shortened, heightened, enfatted, enthinned, and threw trouble towards Brainfart. Strips were stripping penguins because-wait JOEY! Stop! Why did Frank frunk? Dublin, the intercontinental ranch, worldwide, is blooming because ugly pigeons satanized Perry the platypus whom likes human meercats. Brainfart farted indistinguishably loudly quietly. The eel left. Surgery fails not on Brainfart, yes it fails on Dublin. Dublin, Dublin, Dublin, dublin, Dublin, and Dumpling. Should you end? No. END! This party is tiring. The hell Perry pruned staircases devilishly because me moo. Please Frank END this protein. ENDer ENDEd END.

The only one to ever exist; Trevor. Me no like Trevor. Trevor Noa is really bueno and malo. Marquesan tele-transporters were tele-transporting palms throughout all of Arkansas until Kansas stopped getting tasty marmalade, but it did seem probable. Wafer waffles bought robotic non-robots prosthetics. Trevor commandeered creosol meat because why not? Trifle weird man or not, live wires are not happy because live wires are not happy because live Achille's heels. Forceps mark the latest era of me mops. Except for Turkish chickens, everything is bartenders when you are not part of a cult. Toynota backflipped on frontflipping squirrelorangutangs, squirrelelograms. Crimping

teleporters teleported yuca to AS2F-1439, A.K.A. galaxy Doosan, A.K.A. license plates. Magic the 8 succulents which chose to die and die and die to some balls of replacement. Melon should end this now. Because end will prevail.

HASHTAG #17 (FEET ERIC (AND A LITTLE GWEN))

Only green mangos, the world eats. Although many other mango colors are existent, only fruitpunch flapped on monkeys. Fostering fowls can not emphasize the existence of bananas because Bosnian bananas bowled on Russians who rhyme weed with Wabanaki olives until retired Samaritans sought carcasses of of of dodo chungie revolvered. Tyrannosauruses, mystified bars of gold, and juggernaut juggled crimping charcoal thoroughly. Yuca and me went westward towards Takis with evergreen ham salad sold by EBAY DRUGS.com. Issac fence ing monoliths boat Muphasa of Djibouti not ya mom tried grandming excavator floss mentors by paradise. EENND

HASHTAG #18 (COLORED ADJECTIVES)

Masters of the blubber are crusading with the red bulldog, the only pitbull that still exists. Mammoth chungie like a Waldo in the bottle of time and time again. Medication is happy because masters of the blubber found creamy penicillin. More years of pain enhance people who were not complying to the general rules of Pringleon. When the masters arrive, wars will happen because they just don't want to be dead. Intervening nukes redefine war like a kiwi in Hungary. Stools are useful for sitting. , Bringy brought something? Rooftop similes incapsulated metaphors because lots of personification were moving vigorously. Tree trew a twance that twoked on Twonny. Crimping AAAAAAAAAAAAAAAAAHHHHHHH! Yuca JOEY! Green grone on Pringleon because masters of blubber run towards nuts. Bussin' bros do be FIRE. Icicle phenomenocena ends tomorrow because doze dude 45.

HASHTAG #19

Lustful lurkers and Kevin Ckroncker went nuts for nuts. Kevin tried to be a character but god said 'no'. Yuca mastified plural sheep because instrumental moonkeys and crimping earthkeys/monkeys went to a lemonade stilt and a man called Joe Cena. Break a bone is a morse translator. Dum bum be blowin' some candles because raps are illegal in 73 different Ustates. Kevim coved a

cove that caved a seviche. Kebin no. More. Wheat... strands. Meatman said "skoosh day came running didn't," starting a sentence. Ohhy boey cursed dramatically. Severed slushies ticked tocked on fluffy bananas all the way because moles wrote bibles. Magic the 4 gatherings squares gathered around upsidedown marshmallE.O.s. Who cares? Who cares? Eric cares! Farted Eric Kevinized longtube into a tractor. Barren anchors orchestrated archeological archeomeks encountered bulging, bloated charcoal. Thoroughly exasperated 3D throngs thrived in printers that bloofed on melancholic melons until more run lives throughout Fritoland with lots of gorgeous nothing because Fritoland banned Fritolays for two reasons, only 44 carrots like me, and all hail plankton. Turtles stonked on railroad tortoises. End por me.

HASHTAG #20

Dreamy birthdays are popular because Maya is popular. Harroldy began running towards the windowpane because he wanted pane. Persian people pooped precariously because why would they want poo on the cliffhanger. Blubberunguscena went insane before June 91 bananas that thoroughly entered crimpmode. Yuca fried Harroldy nicely due to mamonchino's infostructure. Woven, severe umpires helped lots of giraffes on their birthday. Becausy, the only thing that happened tomorrow, bent bars. Brogled worm liked squash dude forever until roadbulls and other things portinated stories that happened to many peeps. Waffle is good. Pancake no. Crepe si. Autumn Gwenmode crimps infinitely. I. Pig. Thorbells. Yuca. When. Jamie. Timothy. Plutotians ocean orca swam on Poland. Swan, bacteria, plankton, triathlon, T-rex, ladybug, dog, solsticesaur, cat, ostridge, goose, bananaduck, duck, until, parrot, stop, macaw, please, toucan, no, jaguar, listend. Lion. 312spaces. Tiger. Grenade. Harroldy stopped running throughout northeast west land. Difficult difficulties defused diapers definingly. Over trombones the volcano lies to lots of big dumprucks. The Dumpler ends now!
